Folks – I need to pin down which documents we still want to get from the Corps and get back to OGC on this. I may be 10-15 minutes late to the 3:00 meeting today, but will definitely want to talk about this. Thanks, Sylvia

Subject: Cargill updates and meeting(s) request

Cargill Team,

After talking to Jessica, in order to accommodate everyone's schedules, she has requested that we break our discussions into two.

First, tomorrow, Thursday 6/4 at 3pm, she would like to meet with Melissa and Brett to have a working meeting to go over the schedule they have been drafting. That meeting will be on the 2nd floor in the conf. room near room 2208 (her new "swing" space).

Second, next Tuesday, 6/9 at 2:30pm, she would like to meet with the whole team (minimum: Rob, Melissa, Brett & Rich) for a substantive discussion of theories, evidence, tasks. At that time she will also be able to give an update of conversations with Cargill and David Lewis. Same room on the second floor.

Thank you!

Laurie Kermish
